

Counter Top Organizer 2 x 1.2 L - 1/9-Size Jars - FSR-2S 1/9 85541

A compact, tiered countertop rail designed to keep two toppings organized and within easy reach. Its narrow linear footprint is ideal for busy service counters and allows multiple units to be paired when more topping choices are required.

Manufacturer	Server Products
Model	FSR-2S 1/9
Item Number	85541
Configuration	Tiered rail with 2 jars
Jar Size	1/9 size
Capacity	1.3 qt (1.2 L) per jar
Linear Counter Space	Approx. 5-1/4 in (13.3 cm)
Included	2 jars, 2 clear hinged lids and serving spoons
Installation	Countertop / freestanding
Operation	Manual - no electrical connection

KEY FEATURES

- Narrow footprint: requires only about 13.3 cm of linear countertop space.
- Tiered presentation: positions both toppings clearly and keeps them easy to reach.
- Two 1/9-size jars: each jar holds 1.3 qt (1.2 L) for a total nominal capacity of 2.4 L.
- Protected contents: clear hinged lids improve visibility while helping shield toppings during service.
- Ready to use: jars and serving spoons are included.
- Expandable setup: multiple organizer rails can be paired to offer more topping choices.

TYPICAL APPLICATIONS

Ice cream and frozen-yogurt counters, dessert bars, beverage stations, bakeries, cafes, buffet lines and self-service topping areas.

PRODUCT NOTE

This is an ambient, non-refrigerated organizer. Select suitable toppings and follow local food-safety holding requirements.
