KEY FEATURES

- Accurate portions: select from 14 volume settings between 7 and 60 mL.
- Clear 1-liter hopper: displays the ingredient and remaining level at a glance.
- Space-saving installation: uses approximately 5 in (12.7 cm) of linear wall space.
- Easy operation: ADA-compliant lever requires no tight grasping or twisting.
- Quick refilling: wide opening with a removable lift-off lid.
- Easy cleaning: removable silicone discharge fitting and serviceable components.

SUITABLE PRODUCTS

Free-flowing candies, granola, crisped rice cereal, crushed cookies and consistent dry topping or mix-in ingredients.

IMPORTANT LIMITATION

Not recommended for powders or sticky products such as crushed candy bars. Product must flow freely for reliable portioning.
