

NUOVA SIMONELLI / ITALY

Appia Life V

Two-Group Volumetric Espresso Machine

Automatic volumetric dosage | 11 L boiler | Made in Italy

PRODUCT OVERVIEW

A full-size two-group professional espresso machine with programmable volumetric dosing for repeatable service. The Appia Life V combines an 11 L boiler, twin group heads, two push-pull steam controls and the Soft Infusion System (SIS) to support consistent extraction and an efficient barista workflow.

Appia Life - two-group volumetric configuration
