

Commercial Gas Charbroiler - 47 in

116,000 BTU/hr | 8 Burners | Model VCRB47

The Vulcan VCRB47 is a heavy-duty countertop gas charbroiler designed for demanding, high-volume grilling. Eight cast-iron burners, char-radiants and reversible grates support level or inclined broiling, while individual heat controls deliver precise temperature management.

Key Features

- Stainless-steel front, sides and front top ledge
- Full-width front grease drawers
- 13 in cooking height on 4 in adjustable legs
- Heavy-duty cast-iron char-radiants
- 5.25 in reversible grates for level or inclined broiling
- Eight 14,500 BTU/hr cast-iron burners
- Individual infinite heat controls and standing pilot
- 3/4 in rear gas connection; natural gas with LP kit
