Product Description

The E-DZ-900S is a heavy-duty commercial electric single tank fryer featuring a 20-23 L SUS 304 stainless steel oil tank and one frying basket. Powered by 12 kW at 380 V / 50 Hz, it provides reliable performance for intensive professional frying. The integrated under cabinet adds practical storage, while the heater and control are specified with CE certification for restaurant, hotel, fast-food and catering applications.
