COMMERCIAL ICE MAKER

Production: 130 kg/day

Storage: 65 kg | Power: 1.05 kW

PRODUCT IMAGE VERIFICATION

The supplied photo visibly bears a Hoshizaki label, while the specification identifies this model as BREMA CB1265A. Please confirm the matching image.

# CB1265A Technical Specifications

Ice cube maker | BREMA / Italy

## FEATURES

- Ice production capacity: 130 kg per day.
- Storage capacity: 65 kg.
- Air-condensing cooling system.
- AISI 304 (18/10) stainless steel construction.
- Electrical supply: 220-240 V / 50 Hz / single phase.
- Rated electrical power: 1.05 kW.
