Vertical electric shawarma grill with a 400-mm spit and 15 kg meat capacity. The protected lower-mounted drive system helps support reliable rotation and convenient cleaning.

GR 40 E Technical Specifications

Professional electric shawarma machine | Roller Grill | France

FEATURES

- 400-mm-high vertical spit for up to 15 kg of meat.
- Fully hermetic spit holder protects the lower motor from fat and gravy.
- Motor mounted on stainless steel ball bearings, isolating it from meat weight and cutting shocks.
- Spit can be fitted easily with one hand on the sealed support.
- Removable pin enables manual rotation if the motor fails.
- Three Incoloy heating elements and pilot lights.
- On/off switch; supplied without accessories.
