Vertical gas rotisserie with a fully sealed spit holder, bottom-mounted protected motor, and three safety-equipped burners for professional shawarma preparation.

GR 60 G Technical Specifications

Professional Gas Shawarma Machine | Roller Grill | France

FEATURES

- Fully hermetic spit holder protects the motor from fat and gravy infiltration.
- Bottom-mounted motor supported on stainless steel ball bearings.
- Motor is isolated from meat weight and cutting forces to reduce twisting.
- Spit can be positioned easily with one hand on its sealed support.
- Removable spindle pin permits manual rotation in the event of motor failure.
- Inclined, stamped base channels juices to a fully removable drawer.
- On/off switch, three gas burners with safety thermocouples and pilot lights.
- Delivered configured for LPG with natural gas injectors; accessories not included.
