GR 80 G Technical Specifications

Professional gas gyros grill | Roller Grill | France

FEATURES

- 800 mm high vertical meat spit with capacity of up to 40 kg.
- Bottom-mounted motor protected from infiltration of fat and gravy.
- Stainless steel ball bearings isolate the motor from the weight and cutting jerks.
- Removable pin enables manual spit rotation if the motor fails.
- Four gas burners equipped with safety thermocouples and pilot lights.
- On/off switch for spit operation.
- Delivered for LPG with a set of natural gas injectors.
- Supplied without accessories.
