PRODUCT OVERVIEW

The Santos Evolution 70A Lever Citrus Juicer is a professional juicer designed for intensive service. Its patented clutch system automatically starts the machine when the lever is pressed. The unit is delivered with one squeezer for oranges, lemons, limes and grapefruits. A 220 mm spout height accommodates a glass or jug, while the removable stainless steel bowl, cone and cup simplify cleaning. Average output: 50 L/hour.

Dimensions converted from supplied D x W x H order to W x D x H.
