PRODUCT OVERVIEW

The Santos 40AA is a brown, commercial silent espresso grinder suited to traditional one-, two- or three-group espresso machines. Its precision 63.5 mm grinding discs and adjustable volumetric dispenser support doses from 6.5 g to 9 g. An automatic refill mechanism starts and stops the motor to keep the dispenser supplied. The 2.2 kg hopper and heavy-duty induction motor deliver an average grinding output of 8 kg/hour at a stated 63 dB noise level.

Model listed as 40AA per supplied model field (heading states 40A).

Dimensions converted from supplied D x W x H order to W x D x H.
