PRODUCT OVERVIEW

The Santos 63A is a heavy-duty coffee shop grinder engineered for intensive professional use. Its resharpenable 120 mm triple-cut grinding discs and stepless micrometric adjustment cover extra-fine to extra-coarse grinding, including Turkish-style coffee. Freshly ground coffee dispenses directly into bags ranging from 250 g to 1 kg. A 400 mm bag holder and vibrating plate facilitate filling, while the 1.2 kg hopper and induction motor support high-volume service.

Performance and electrical ratings are reproduced from the supplied specifications.
