PRODUCT OVERVIEW

The Santos 43NA silent shop coffee grinder provides precise, consistent grinding for professional coffee retail. Its 63.5 mm discs, horizontal-axis feeding screw and extra-fine to extra-coarse adjustment allow versatile grinding. Coffee dispenses directly into bags ranging from 250 g to 1 kg, supported by a 360 mm bag holder. A 1.7 kg hopper and commercial induction motor enable daily shop operation.

All performance and electrical data are reproduced from the supplied specifications.
