PRODUCT OVERVIEW

The Santos 62A brushless blender is designed for professional preparation of smoothies, frozen beverages and other demanding blends. Patented two-way blade rotation and Dual Crushing Action programs help process ice cubes and frozen fruit quickly. Its soundproof hood, brushless motor and vibration-proof jar mat support quiet service. The blender offers 30 built-in cycles, customized recipes through USB software, and a bisphenol A-free jar with a maximum capacity of 2.4 L.

*230 W is reproduced from the supplied brief; confirm the rated power with Santos.
