PRODUCT OVERVIEW

The Santos 53A is a professional ice crusher built for fast and consistent crushed-ice preparation in bars, restaurants, cafes and hotels. With two ice textures and automatic or manual controls, it crushes up to 1.2 kg of ice in just 30 seconds. Its heavy-duty induction motor is designed for quiet and reliable operation.

\* Electrical-rating check: supplied brief specifies 230 W; Santos model 53 official product page lists 130 W at 220-240 V. Confirm the exact 53A rating plate before release.
