PRODUCT OVERVIEW

The Santos 33CEA is a professional chromed bar blender designed for the everyday demands of cafes, bars and restaurants. It offers a 1.25 L jar, powerful 600 W motor and two speed settings of 13,000 and 16,000 rpm for controlled drink preparation. Stainless steel blades handle mixing tasks while the removable bowl, cover, base and blades make cleaning straightforward. The filler cap permits adding ingredients during operation.

Capacity and electrical ratings are reproduced from the supplied specifications.
