PRODUCT OVERVIEW

The Santos 37A+4L is a professional kitchen blender equipped with a 4 L stainless steel container. Variable speed control up to 15,000 rpm generates a powerful vortex, while the 18,000 rpm pulse function provides additional mixing intensity. The patented Santosafe® system locks the bowl and cover for hands-free use, and the filler cap allows ingredients to be added during blending. Its 1,200 W motor makes it suitable for commercial kitchen preparation.

Performance and electrical ratings are reproduced from the supplied specifications.
