PRODUCT OVERVIEW

The Santos 38C is a professional citrus juicer with a chromed base, designed for fresh juice preparation in cafes, hotels, bars and restaurants. Its quiet induction motor supports continuous commercial use, with an average output of 30 L/h. Three removable squeezing cones handle different citrus fruits, while the bowl and filter grid can be removed for simple cleaning. The 135 mm spout dispenses juice directly into a glass.

Technical correction: 130 W is the Santos-rated power (not 1,500 W); 1,500 rpm is its 50 Hz speed.
Source: Santos official Model 38 specifications. Net weight of 5 kg is as supplied.
