

Electric Cooker with Electric MAXI Oven

4 Cast Iron Plates | 19 kW | 800 x 900 x 850 mm

E4F8 | MBM | Italy

KEY SPECS

ELECTRIC COOKER

Model

E4F8

Plate configuration

4 cast iron plates

Plate power

13 kW

Oven power

6 kW

Total power

19 kW

Supply

400 V / 3N

Net weight

136 kg

Dimensions

800 x 900 x 850 mm

COMMERCIAL COOKING

Heavy-duty four-plate electric cooker with rapid heating, overheat protection and an integrated electric MAXI oven.

MBM E4F8 | Four-Plate Electric Cooker

Overall dimensions (W x D x H): 800 x 900 x 850 mm

Electrical rating: 400 V / 3N / 50-60 Hz

Rapid-heating electric elements.																																			
Overheating safety protection device.																																			
AISI 304 stainless steel construction.																																			
Three 3 kW plates and one 4 kW plate.																																			
Integrated 6 kW electric MAXI oven.																																			
Total rated electrical power: 19 kW.																																			
400 V / 3N / 50-60 Hz supply.																																			
Made in Italy; ISO 9001 referenced.																																			

PRODUCT OVERVIEW

The MBM E4F8 is a commercial electric cooker with four square cast-iron plates and a built-in electric MAXI oven. Rapid heating and an overheating safety device support professional kitchen use. Built from AISI 304 stainless steel, it delivers 19 kW combined electrical power.

Note: Supplied oven dimensions use unclear units; verify before publication.
