PRODUCT OVERVIEW The MBM EBR8 is an 80 L electric tilting pan for commercial kitchen operations. The supplied specifications list AISI 304 stainless steel construction, 12 kW electric heating, three-phase 400 V power and compact 800 x 900 x 850 mm overall dimensions. TECHNICAL VERIFICATION The source description includes "enamelled cast iron grills", which appears unrelated to a tilting pan. This item has not been treated as a confirmed feature. The pictured product branding should also be checked against the specified MBM model before release.	<table><tr><td>Quality reference</td><td>ISO 9001 (supplied)</td></tr></table>	Quality reference	ISO 9001 (supplied)
